This conference met my expectations.	1	2	3	4	5
I would recommend this presentation to others.	1	2	3	4	5

What was the most important thing you learned from today's conference?

What training topics would you like to see offered here in Colorado in the future? Please provide specific ideas regarding speakers, topics and material.

To help us plan for next year, please rate the importance of the following from 1 to 5, where 1 is the most important.

- ____ **Bringing in a nationally recognized presenter for mostly lecture-style presentation**
- ____ **Having break-out sessions that are interactive and hands-on**
- ____ **Offering a web-based option such as a webinar or website link to view the conference**
- ____ **Including manufacturer-specific sessions including product updates and information**
- ____ **Including specific case studies and practical strategies for students with cochlear implants**

Please provide overall feedback or additional comments you may have regarding this conference.

Please return this to your site-coordinator before you leave – we appreciate your feedback!
